

About Us

Introducing Xportio International – a leading manufacturer of premium bagasse disposable tableware and a trusted global exporter with over 7 years of expertise. Founded by three visionary entrepreneurs, Xportio International is committed to sustainability, innovation, and uncompromising product quality.

Our state-of-the-art facilities and expansive supplier network empower us to offer an extensive selection of eco-friendly bagasse tableware solutions tailored to diverse client needs and applications.

Our Story

Born out of a shared passion for excellence and sustainability, our company was established with the aim of bridging the gap between exceptional products and discerning consumers worldwide. With a strong foundation in the export industry and a keen eye for quality, our founders embarked on this journey to create a brand synonymous with reliability and innovation.

What We Provide

We at Xportio International Pvt Ltd take great pride in our carefully chosen product lines, which consist of:

Eco-Friendly Tableware

We offer a sustainable and functional option for daily needs with our recyclable plastic consumables, which are made to the highest standards.

Why Choose Us?

The Process

Biodegradable Product

We create compostable packaging solutions for a circular economy where there is no waste. It starts with responsibly sourced materials, continues with environmentally certified manufacturing processes, and ends with disposal options that see resources used or regenerated.

Features of our Products

Consumers Health & Nature

Our Eco-Friendly disposable products are aesthetically pleasing products so that customers can enjoy food without any negative impact on the taste & Health as plastic products do. Due to Durability these products are gaining popularity among food, health and nature conscious peoples.
